

1 roll dispenser (standard)

Product sheet

This SanTRAL toilet roll holder again proves that simplicity will always do the trick. The designers of this holder have made the conscious choice of going for a simply and functional design because why go for more, when you could also go for less?

Everyone will recognise the design of this toilet roll holder. Opt for the sturdy stainless steel version and add an intriguing accent to your toilet area. The anti-fingerprint coating ensures a hygienic appearance. Simply hang the roll on the stainless steel bracket underneath the cover.
