

Facial tissue dispenser stainless steel high gloss

A toilet is not just a practical room, but it is also the ideal place for your guests to relax for a moment. The Mediclinics facial tissue dispenser can provide a soft cloth to freshen up the face and remove makeup.

This facial tissue dispenser gives your washroom unmistakably a touch of glamour. The high-gloss exterior makes sure this dispenser immediately catches the eye of your guests. A dispenser worth seeing, especially in the case of facial tissues. The oval opening allows for convenient removal of the tissues. This dispenser is an essential item for any ladies toilet.

Would you like your female guests to be well looked after? Ask now the quote.
