

Glove dispenser plastic transparent

When you are regularly faced with emergency situations at work, you always want to have sufficient latex gloves at your disposal. This MediQo-line table-top glove dispenser is a convenient solution in flexible use. When you choose this tabletop glove dispenser, you are sure that you always have your gloves at hand. It is easy to move because of the light weight and small size. You simply slide the glove box through one of the sides of the dispenser and there it is, ready to get started. Looking for a flexible glove dispenser? Choose the MediQo-line table-top. Ask for the quote.
