

Hand towel dispenser midi aluminium, HS 31 A - ingo-man version

If you choose the MediQo-line, your guests immediately recognise you have a feeling for style. Why would you still choose an everyday model if you have room for the MediQo-line? With this large MediQo-line aluminum towel dispenser you make a fresh start again after your visit to the toilet. The dispenser has a considerable supply of folded towels. The cover is easy to open from the front, so replenishing the towels is a simple job. Do you like to welcome your guests in style? Then the choice for this frosted silver aluminum towel dispenser is made quickly. Request the quote.
