

Hand towel dispenser small

Product sheet

Your guests enjoy their comfort. No hard to operate devices of accessories that are difficult to use but rather subtle simplicity and optimal ease of use. This makes choosing for SanTRAL accessories a very logical step.†

This SanTRAL hand towel dispenser is the paragon of simplicity easy in use and with a smart and taut-lined design. The stainless steel anti-fingerprint coated exterior gives the dispenser a sturdy and almost industrial look. In combination with the graceful design, it makes for a regular eye catcher in your sanitary area. The folded towels can be easily removed via the bottom of the dispenser.†

If you prefer elegant simplicity, the SanTRAL hand towel dispenser would be the one to go for. Request a quote here.†
