

Jumbo roll dispenser large stainless steel

During peak hours in your company a large number of visitors use your washroom. And that's not bad, as long as there is sufficient. Your visitors will not be confronted with an empty roll, even during peak times, with this jumbo roll dispenser. The end of the roll goes through the bottom side of the dispenser, where the paper can simply be torn at the special edges. This allows the visitor to make use of the right amount of toilet paper as wished. The contents of the dispenser can be checked at the window at the side of the dispenser. Do you make great demands on user friendliness of your accessories? Ask now the quotation off the Mediclinics large stainless steel jumbo roll dispenser.
