

Jumbo roll dispenser maxi plastic white

You will certainly enjoy the rest of the day after a relaxed visit to the toilet. This is why it would be pleasant if you aren't confronted with any unexpected surprises, such as an empty toilet roll holder. When using this jumbo roll dispenser you are always ensured of a substantial supply of toilet paper.

This jumbo roll dispenser is, without doubt, one of the largest of its range. With sufficient space for a huge jumbo roll with a diameter or more than 31 centimetres, you will never leave your visitors empty-handed. The special tear ridges at the bottom of the dispenser ensure easy tearing.

Do you make high demands of the easy use of your accessories? Then request a quote for the PlastiQline 2020 Jumbo Dispenser now.
