

# Locking plate aluminium 500 ml

Product sheet

Intensive use of your soap dispenser can wear it out quickly. With the MediQo-line locking plate you protect your soap dispenser optimally against harmful effects from outside. The locking plate for the 500ml MQ dispensers gives your dispenser immediately a finished look. The sleek aluminum plate has a special window, which allows for easy level control. The locking plate is available in the same colour as the dispenser. Protect your soap dispenser against unwanted wear and tear. Now ask the quote for the locking plate aluminum 500 ml MQ dispensers.
