

Replacement roll holder 5 rolls stainless steel

Your guests like to make use of a clean and tidy toilet. A toilet without waste and rolls lying around. The 5-roll replacement holder from the MediQo-line is therefore the ideal solution for your spare supply of toilet rolls. Many rolls are used in a high traffic. A good replacement roll holder is therefore essential. With this replacement roll holder, you have room for five extra toilet rolls. A stainless steel cover keeps the rolls neatly out of sight of your guests. The change is simple there is a large opening† at the bottom and the top of the holder. Large enough for removing out the roll. With the stainless steel mediQo-line replacement roll holder, you are always assured of a good supply of toilet paper. Ask for the quote.
