

Replacement roll holder DUO white

Product sheet

Of course the janitorial service always takes care of a well-stocked toilet roll holder. Yet an extra supply - especially at peak times - is always handy. With the MediQo-line duo replacement roll holder it is always there for the taking. If you have an eye for detail, the simple and sturdy construction of this duo replacement roll holder must have caught your eye. The white powder-coated exterior consists of strong stainless steel, with four solid assembly points. The open front allows easy removal of the extra roll. The duo replacement roll holder holds two standard toilet rolls. The MediQo-line replacement roll holder always provides your guest with sufficient toilet paper during peak times. That is what you want, don't you? Ask for the quote.
