

Replacement roll holder TRIO aluminium

A visit to the toilet can be a real challenge, without extra toilet paper on hand. It is therefore a challenge to provide your guests with an ample supply of toilet paper. With this MediQo-line trio replacement roll holder, your guest always has three extra rolls. The elongated body has an open top and bottom, which allows for easy refilling and removal. The special four-point assembly plate guarantees a solid wall mounting. If you would like to please your guests, you choose the trio MediQo-line replacement roll holder. Request a quote here.
