

Soap dispenser 1200 ml

Product sheet

If there is one product line where functionality and a high quality design uniquely meet, it would be the SanTRAL accessory line. So it's no great surprise that the SanTRAL 1200 ml Soap Dispenser is one of the best sold sanitary accessories.

Characteristic for the SanTRAL accessory line is the robust stainless steel housing. Which is exactly what gives this soap dispenser its sturdy look. Whether you prefer liquid soap or prefer to disinfect your hands with alcohol gel, the SanTRAL 1200 ml soap dispenser ensures hygienically clean hands. It is easy to use by the way, just press the stainless steel lever to distribute the right amount of soap, cream or lotion. And when the dispenser is empty? Just fill it up again as the container is refillable.
