

Soap dispenser 1500 ml stainless steel white

It is crystal clear that the Mediclinics designers always aim for the top. The exclusive design with its optimal ease of use is a great addition to any sanitary area. The same applies to the white 1500 ml stainless steel soap dispenser. The ample content of this soap dispenser should make instantly clear that it is designed for highly frequented sanitary areas. The dispenser can hold more than 1500 ml of liquid soap and is easy and quick in use. With one push of the playfully designed stainless steel push button on the front the dispenser will automatically dose the right amount of soap. Refilling takes place via the top of the dispenser. When choosing for optimal ease of use, maximum hygiene and an exclusive design you choose for the White 1500 ml Stainless Steel Mediclinics Soap Dispenser. Request a quote here!
