

# (Sanitary) waste bin 6 litre stainless steel

For your female visitor a visit to the washroom often is a relaxing moment. A moment of freshening up, checking make-up† and changing sanitary napkins. Optimal comfort experience leaves a lasting impression.

The model of this sanitary bin is designed in such a way that the bin fits exactly into the space next to the toilet. The easy-to-operate- lid hides the other waste hygienically from the eye of your female guests. This way the bin is a practical and beautiful addition to your washroom.

If you like to meet the needs of your female visitor, ask for the quote!
