

Sanitary bin 20 litre

Product sheet

Is your ladies toilet used a lot? There's nothing as frustrating to women as an overflowing sanitary bin. This 20-litre version packs all the convenience and hygienic benefits of the smaller version, but boasts the kind of capacity that ensures it can handle large numbers of visitors. Its handy changing system makes changing the refuse bag very easy, further aided by the fact that the sanitary bin lid will stay open during a bag change. And are you thinking about purchasing matching sanitary bag dispensers too? Contact us right away for further details!
