

Sanitary bin 7 litre stainless steel white

A place with character, a sleek design and accessories in style makes definitely a memorable impression. Certainly when it is about your female guests. Therefore, you provide a stylish and elegant interior of your ladies toilet. This fashionable sanitary bin of our Dutch Bins-line offers not only an attractive but also a practical solution for sanitary napkins. The bag holder mounted on the front ensures that the sanitary bags are always within reach. That way throwing away is becoming even easier. Moreover, the hinged lid, which is easy to operate, guarantees an efficient and hygienic finish. A place with character for your female guests you do want this, don't you? Ask now for the quote!
