

Toilet brush holder stainless steel white

What makes the MediQo line so striking is the contemporary design. This is clearly visible in this toilet brush holder from the series. The modern exterior subtly keeps the toilet brush from the eye of the visitors. An additional advantage of this holder is the special vandal resistant 2-point fixing. The strong assembling plate for mounting on the wall can not be pulled or kicked from of the wall. Moreover, the white powder-coated stainless steel material provides sufficient protection to secure the toilet brush against unwanted damage. Looking for a stylish and vandal-proof toilet brush holder? Ask now the quote for the toilet brush holder white, AC-06-CA MediQo line.
