

Waste bin 23 litre swing plastic

Product sheet

Hygiene is crucial in washrooms and medical environments. The challenge: How to keep the room clean in an acceptable way during use? A waste bin is one of the basic condition.

The plastic PlatiQline waste bin is the answer. It is a discrete waste bin with its capacity of 23 L. But they had a good think about it: the handy swing lid always closes off the bin. More hygiene and it looks better. Or do you prefer to see the waste?
