

Waste bin closed 80 litre stainless steel

Mediclinics is a prominent series. Not only in the literal sense, but certainly from a decorative standpoint. The sleek shaped, practical accessories have surprised many an interior designer. This bin shows that even a simple bin can be a real eye-catcher.

During peak hours, you need plenty of space to store your waste. This large 80 liter bin provides ample space for a big day's supply. By means of a mounting system the bags are easily placed on the inside. The bag can be replaced easily by taking off the lid from the bin.

Do you like a bin that is not only convenient, but also another technically designed well? Ask now the quote!
