

Waste bin open 80 litre stainless steel

Your guests may spend very little time in your washroom, yet this visit leaves a lasting impression. The stainless steel bin contributes to optimal comfort experience.

Visitors flows often have peak hours within a company. Also at that time, your sanitary facilities need to offer sufficient capacity to cope with these visitor flows. With a large capacity of 80 liters this bin offers enough space, even during peak hours, to store the waste. The open top side facilitates throwing in waste.

Does your company have peak periods and a great amount off of visitors? Then this open stainless steel 80 litre bin is the solution. Get a free quote
